

## Pricelist and set up conditions

### 1. Golden Support s.r.o. telecommunication services pricelist

#### INTERNET PROFI

Service ID	Name of the service	Set up time	SLA	Price
i_profi_2M	INTERNET PROFI 2 Mbps		99,6%	2 000 CZK/month
i_profi_5M	INTERNET PROFI 5 Mbps		99,6%	3 500 CZK/month
i_profi_10M	INTERNET PROFI 10 Mbps		99,6%	5 500 CZK/month
i_profi_15M	INTERNET PROFI 15 Mbps		99,6%	7 500 CZK/month
i_profi_20M	INTERNET PROFI 20 Mbps		99,6%	9 900 CZK/month
start_i_profi	INTERNET PROFI service activation	30 days		1 900 CZK/one time

INTERNET PROFI services are designed to connect offices or small businesses. The service is without aggregation and is based on fiber optics with guaranteed capacity and SLA availability. The price of the service activation may contain supervised WiFi router. Prices are without VAT.

### 2. Confirming the terms and setting up the service

Pricelist is approximate, based on the demand or signed Contract will be carried out technical investigations on site, consultation with the customer, etc.

Based on the findings will be confirmed to the customer final price, final installation date and possible limitation of the Services. In case the Contract is already signed and the customer does not accept changes consequent upon findings, or service can not be established, Golden Support s.r.o. has right to withdraw from the contract.

### 3. Other arrangements

An integral part of the Contract is Pricelist and the General Terms and Conditions. Different arrangements in the Contract shall take precedence over the terms in the General Terms and Conditions. The Parties agree that the List of contact persons may be changed by a unilateral notice to the other Party through one of the authorized persons.

VAT is charged at a rate according to applicable legislation. All equipment provided under the Services remain the property of the Provider. Billing is done for the relevant period based on the current price list.

The customer declares that he is familiar with General Terms and Conditions of providing electronic communications by the company Golden Support s.r.o. (General Terms & Conditions), the Contract and the Price List, and agrees with them. Customer further declares that he is aware of the nature, scope and limits of the Services, which is subject to the Contract and the specification of services, and that the subject of the contract is sufficiently defined.
